

# Online Safety - Whole School Curriculum Map

Online Safety Reception – Year 6	Autumn 1		Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2	
<p><b>Self-Image and Self-Identity</b></p> <p>The Project Evolve toolkit is used across the school. Though the same strand is followed each half term, the content changes, is age appropriate, and grows in complexity. Content from one year to the next is linked and carefully sequenced. We have outlined an overview of what will be covered in each strand.</p>	<p><b>Self-Image and Self-Identity</b></p> <p>This strand explores the differences between online and offline identity, beginning with self-awareness, shaping online identities and how media impacts on gender and stereotypes. It identifies effective routes for reporting and support and explores the impact of online technologies on self-image and behaviour.</p>	<p><b>Online Relationships</b></p> <p>This strand explores how technology shapes communication styles and identifies strategies for positive relationships in online communities. It offers opportunities to discuss relationships and behaviours that may lead to harm and how positive online interaction can empower and amplify voice.</p>	<p><b>Online Bullying (linked to Anti-Bullying Week)</b></p> <p>This strand explores bullying and other online aggression and how technology impacts those issues. It offers strategies for effective reporting and intervention and considers how bullying and other aggressive behaviour relates to legislation.</p>	<p><b>Online Reputation &amp; Safer Internet Day</b></p> <p>This strand explores the concept of reputation and how others may use online information to make judgements. It offers opportunities to develop strategies to manage personal digital content effectively and capitalise on technology's capacity to create effective positive profiles.</p>	<p><b>Managing Online Information</b></p> <p>This strand explores how online information is found, viewed and interpreted. It offers strategies for effective searching, critical evaluation and ethical publishing.</p>	<p><b>Privacy and Security</b></p> <p>This strand explores how personal online information can be used, stored, processed and shared. It offers both behavioural and technical strategies to limit impact on privacy and protect data and systems against compromise.</p>	<p><b>Health, Wellbeing and Lifestyle (linked to Health Week)</b></p> <p>This strand explores the impact that technology has on health, well-being and lifestyle. It also includes understanding negative behaviours and issues amplified and sustained by online technologies and the strategies for dealing with them.</p>	<p><b>Copyright and Ownership</b></p> <p>This strand explores the concept of ownership of online content. It explores strategies for protecting personal content and crediting the rights of others as well as addressing potential consequences of illegal access, download and distribution.</p>
