PE and Sports Premium

Planned allocation of funding for 2022-2023

Grangetown Primary School recognises the vital contribution that physical education makes to a child's development, in terms of providing children with positive experiences of sport and PE to promote life-long participation. This year, sport will play a vital role – physically, mentally and socially - in helping children to continue to 'recover' from the issues caused by the covid situation over the past few years.

Through PE and Sports Premium funding, we aim to raise the profile of PE and sport across the school. We will provide opportunities for pupils to work with PE specialists and to have access to a range of sports. The funding will support PE training by providing opportunities for teachers to work alongside specialist teachers, and enabling teachers to attend high-quality CPD. It will also allow children across school to be involved in competitive and non-competitive sports and festivals, working alongside pupils from other schools. Different experiences for different age groups ensure all will get a range of appropriate challenges as they move through the school.

For 2022-2023, we have received £18,110 in Sports Premium funding.

N Bracknall, PE Coordinator

L McAnaney, Headteacher

October 2022

Activity / Project	Amount	Activities	Intended Impact	Evaluation
PE SLA	£1,500	<ul style="list-style-type: none"> • Linking up with 3 local primary schools, with a range of events on offer. • Some events involve competition and participation with the other schools, and some are for groups/classes of GPS pupils. • Events include: trampolining, gymnastics, hockey, handball, fitness, football, rugby, plus some events specifically for SEND. 	<ul style="list-style-type: none"> • Opportunities for pupils from across all yeargroups to try our new sports, & learning new skills. • Opportunities for competition 	<p><i>A very successful year with a wide range of activities for all children across school. The children learnt many new skills throughout the year and applied them in inter/intra schools competitions and festivals. We established links with cluster schools and also built links with other sporting coaches and organisations which helped in our delivery of our annual Health Week.</i></p>
PE resources for curriculum and extra curricular sports clubs	£3,000	<ul style="list-style-type: none"> • High quality PE resources to aid the teaching of PE lessons linked to the curriculum and after school clubs for all children 	<ul style="list-style-type: none"> • Children taking part in well-resourced PE lessons • Increased fitness for children • Wide variety of objectives taught • Increased participation of a wide range of after-school clubs • Positive experiences for children 	<p><i>Resources ordered in light of some further changes to the medium term plans. Also resources ordered for new sporting after-schools clubs and to replace some equipment that was damaged or had missing parts. The resources ordered enabled us to build upon the PE SLA, by maintaining access to the new sports that the children had been introduced to.</i></p>
Online PE planning subscription (PE Planning)	£200	<ul style="list-style-type: none"> • Annual subscription to PE Planning (online schemes of work, resources etc.) • All teachers have their own log in details and have access to the online resources that can be tailored to specific year groups and activities 	<ul style="list-style-type: none"> • High quality PE lessons planned inclusive of all children • PE lessons planned linked to the National Curriculum • Fun & engaging lessons to help increase fitness for all ch • Lessons that are progressive 	<p><i>Used consistently by all staff and is tailored to the needs of our school. The website includes medium term planning for each unit. Used to help create the assessment grids for all year groups as it links to the objectives taught across each unit. Good national</i></p>

				<i>curriculum coverage, built-in progression, content appropriately sequenced, includes a range of activities to enable a gradual build-up of skill & competence. Small games are built into lessons encouraging intra-schools competitions.</i>
Real PE Foundations planning subscription and resources for EYFS	£200	<ul style="list-style-type: none"> • Annual subscription to Real Foundations (online planning around 12 key themes, resources, songs etc.) • Teachers have their own log in details and have access to the online resources that can be tailored to specific themes and activities 	<ul style="list-style-type: none"> • PE lessons planned linked to EYFS framework • Fun and stimulating themes to engage all children • Enables both teacher and child-led learning 	<i>Introduced after CPD on the platform at the PE conference in Autumn. All staff in FS use the planning and resources weekly. The lesson content is well sequenced and progressive and linked to a theme therefore engaging the younger children in their PE sessions.</i>
Annual Health Week	£1000	<ul style="list-style-type: none"> • Across school, teachers and other agencies work together to ensure a week full of activities are planned linked to being healthy and staying safe. Children get to try activities they might not have had experience of - all done in a fun and educational way. • Sports Days are included within this week 	<ul style="list-style-type: none"> • Promote sport and well-being • Children take part in engaging activities and learn about the importance of a healthy lifestyle • Links with other local agencies 	<i>A successful Health Week organised with a wide range of activities for the children to access. Some activities and events were off-site and some were on-site, all delivered by specialist coaches. The children were able to experience a range of sports and activities that they might not have previously had experience of and they also got to compete in some intra-school competitions through events organised by school staff. Sports Day was well attended by children and parents and carers which helped raise the profile of PE and Sport in school.</i>

<p>To provide a healthy and active lifestyle through the promotion and use of lunchtime and break time equipment and games to encourage greater participation in physical activity</p>	<p>£500</p>	<ul style="list-style-type: none"> • Children have access to playground markings (circuits etc) and equipment to help them increase their physical activity during break and lunchtimes • Training for lunchtime staff • Equipment for games delivered by Sports Leaders 	<ul style="list-style-type: none"> • Children have opportunities to be active and healthy when on the yard during break and lunchtime • Children get to work as a team with children from other year groups • Leadership role for Y5 Sports Leaders after their training 	<p><i>Two LSAs had training in Autumn term. Equipment was purchased and the LSAs met with the DHT to organise a rota for the games and activities throughout the week. The Y5 Sports Leaders had training and were selected to help with the delivery of the lunchtime sessions. Due to LSA staffing issues throughout spring/summer it was difficult for the training to be implemented. This is something that will be prioritised for the next academic year when we have more lunchtime staff starting.</i></p>
<p>High quality coaches for after school clubs, lunchtime clubs and curriculum input</p>	<p>£5000</p>	<ul style="list-style-type: none"> • Specialist coach comes into school to deliver sport and PE sessions for both key stages during the school day • High quality PE lessons linked to school's curriculum • Provides additional lunch time clubs for children to be active during lunchtime. • Basketball, Dance, Football, & general sports. 	<ul style="list-style-type: none"> • Increase in participation of physical activity during a lunchtime and after school. • All children welcome to attend • Increases fitness levels • High-quality PE sessions taught 	<p><i>Effective provision provided weekly through AP Sport and Dance Fuse. Change for Life club established early in the year and ran weekly by a specialist coach. The sessions proved to be very successful for the selected children in Y3 and Y4.</i></p>
<p>Jumpstart Jonny subscription</p>	<p>£250</p>	<ul style="list-style-type: none"> • Online resource, for use in classrooms, providing access to videos of dance routines 	<ul style="list-style-type: none"> • Increased fitness • Provides children with ideas of routines moves they can try in their own time 	<p><i>Well used across school when audited. The children enjoy the sessions, and it helps improve their fitness levels. It also helps to add to their time allocation to be active for 60 minutes across the day.</i></p>

Transport to sporting activities	£2000	<ul style="list-style-type: none"> • Paying for transport for either whole classes or groups of children to attend festivals and competitions 	<ul style="list-style-type: none"> • Increased pupil participation • Enhanced, inclusive curriculum provision 	<i>This provision is continually allowing a high participation rate in external sporting activities within the local area.</i>
Staff development	£2500	<ul style="list-style-type: none"> • To be sourced in Autumn term, for implementation in Spring/Summer 2023, following a review/survey of staff training needs in PE 	<ul style="list-style-type: none"> • Increased subject knowledge for all staff • Opportunity to learn new skills. • Practical ideas and resources • Will help to maintain high quality in PE teaching. 	<i>Discussed opportunities for staff CPD previously with SGO but the only one on offer was for Real PE which is an approach we don't currently use at school so we need to look into this again in Sept. Staff Survey carried out to clarify CPD needs.</i>
Derwent Hill – outdoor activities	£2000 contribution	<ul style="list-style-type: none"> • Climbing, canoeing, rambling, orienteering, etc. 	<ul style="list-style-type: none"> • Learning new skills • Growth in personal confidence • Building a love of outdoor activities 	<i>Derwent Hill took place in March 2023. A number of children attended from Year 5 and Year 6 and had a fantastic time learning new skills, building a love of outdoor activities, working together as a team and growing in confidence.</i>

Total: £18,150

Meeting national curriculum requirements for swimming and water safety

	2022	2023
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <i>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.</i>	65%	67%
What percentage of the current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	65%	67%
What % of your current Year 6 cohort perform safe self-rescue in different water-based situations?	63%	63%
