

Grangetown Primary School

Enjoy-Respect-Achieve

PE and Sports Premium

Planned allocation of funding for 2023-2024

Grangetown Primary School recognises the vital contribution that physical education makes to a child's development, in terms of providing children with positive experiences of sport and PE to promote life-long participation. This year, sport will play a vital role – physically, mentally and socially - in helping children to continue to 'recover' from the issues caused by the covid situation over the past few years.

Through PE and Sports Premium funding, we aim to raise the profile of PE and sport across the school. We will provide opportunities for pupils to work with PE specialists and to have access to a range of sports. The funding will support PE training by providing opportunities for teachers to work alongside specialist teachers, and enabling teachers to attend high-quality CPD. It will also allow children across school to be involved in competitive and non-competitive sports and festivals, working alongside pupils from other schools. Different experiences for different age groups ensure all will get a range of appropriate challenges as they move through the school.

For 2023-2024, we have received £18,150 in Sports Premium funding.

N Bracknall, PE Coordinator

L McAnaney, Headteacher

September 2023

Activity / Project	Amount	Activities	Intended Impact	Evaluation
Outdoor gym equipment	£10,000 (Sports Premium contribution)	<ul style="list-style-type: none"> • High-quality outdoor gym equipment installed on the field, accessible to all children. • Different stations that work on different core muscle groups. • Accessible for children during PE lessons, playtimes, lunchtimes and as part of after-school provision. 	<ul style="list-style-type: none"> • Opportunities for children across all year groups to use the gym equipment throughout playtimes and lunchtimes, helping add to their 60 minutes of physical activity a day. • Improve fitness and muscle strength.
