

## Ancient Greece – Year 4 – Spring 2022

The Year 4 children, in their history lessons, have been learning about Ancient Greece and to celebrate their learning, they held a special Greek Day. The children dressed as Ancient Greeks either in tunics or as Greek soldiers. The day began with the children making a laurel wreath to wear on their heads. They learned about the Greek alphabet and then used it to write their own name. The children worked in groups to design and make a Greek temple, using paper and card. They then learned about Greek vases and the styles and patterns which are found on them and designed their own version. They also had the opportunity to taste a range of Greek food, such as feta cheese, olives, honey and grapes. The children had a fabulous day and it was a great way to end this unit of work.
