

# Our Friendship Picnic!

## EYFS PSHE Friendship Picnic

Our EYFS children had a wonderful day, linked to PSHE. After finishing our Jigsaw unit linked to relationships, the children had a special treat of a picnic outdoors and a chance for Nursery children to be paired up with a Reception friend and access both classrooms to do some PSHE themed activities. This included friend cards, games, making friend flowers and role play activities. The children had so much fun and demonstrated their skills by building bonds with new peers. Jigsaw Jerrie and Jenie were very proud!
