

# Reception visit St Aidans Church

Reception recently visited St Aidan's Church to learn more about a Christian place of worship. We met with the Reverend Raine who let us try on all of his different robes. There were so many colours and we found out they all had different meanings. We looked around the Church and learnt the names of many objects and what they are used for.

Did you know that the seats in Church are called pews?

Some of the words we learnt were;

**Lectern:** A stand where the Bible is read from

**Pulpit:** Where the Priest delivers ceremonies

**Font:** A stone bowl containing holy water

**Altar:** Special table
